Dr. Alan Walker, President
Upper Iowa University
605 Washington Street
Fayette, IA 52142

Dear Dr. Walker:

Louisiana R.S. 17:1808 requires that certain postsecondary academic degree-granting institutions be licensed by the Louisiana Board of Regents in order to operate in the state of Louisiana. Following a review of the license application, the Board of Regents voted at its meeting on April 26, 2012, to issue a license for Upper Iowa University to operate in the state of Louisiana. Enclosed herewith is the license certificate, valid for a period of two years.

Additionally, the Board of Regents' regulations require that if an institution desires to use the fact of licensure in any form of advertisement or publications, only the following language can be used:

(Upper Iowa University) is currently licensed by the Board of Regents of the State of Louisiana. Licenses are renewed by the State Board of Regents every two years. Licensed institutions have met minimal operational standards set forth by the state, but licensure does not constitute accreditation, guarantee the transferability of credit, nor signify that programs are certifiable by any professional agency or organization.

The Board of Regents appreciates your cooperation during the licensure process. Please contact me if you have any questions concerning these matters.

Sincerely,

Nancy Beall
Assistant Program Manager
