Big Brothers Big Sisters of Dubuque County

Mentor to Children & Youth

BBBS needs volunteers to serve as community or school-based mentors for children ages 5-15 in Dubuque, Jackson & Clayton Counties. If a mentor is matched with a child in a community-based match, the commitment is a minimum of four hours per month engaging in activities that you and the child enjoy. Most activities are ones that mentors are already doing. This gives them an opportunity to include a child in need of a special person in the community to enrich their lives. In our lives, each of us was touched by someone, other than our parents, who introduced us to new worlds and brought a little magic into our lives. As a Big Brother or Sister, you can be that special person for a child who needs that support. You get back as much as you give. We guarantee it! In school-based matches, the mentor spends 30 to 60 minutes per week meeting with a child in the child's school. Skills: Openness to sharing everyday activities and being friends with a child. Special activities hosted by BBBS are sometimes offered. Volunteers are subject to screening for child abuse and criminal backgrounds.

Iowa City Ronald McDonald House

In-House Volunteer

Being an In-House volunteer is a special way to work closely with the families staying at the House. In-House volunteers work one three-hour shift every week and are responsible for doing many important duties at the House. They assist in the office with everything from answering telephones to mailings to checking families in and

out of their rooms. Other duties include driving the Ronald McDonald House shuttle van to and from the hospital or taking families shopping for groceries or other supplies. No prior volunteer experience is necessary. All volunteers must be at least 16 years old and attend a brief orientation and health screening at the University of Iowa Hospitals and Clinics prior to their first shift. An additional orientation and "on the job" training are provided at the Ronald McDonald House. Skills: Compassion for others and a desire to help.

UI Hospitals & Clinics Volunteer Services, PICH

Almost 100 different volunteer positions available

Community Volunteers bring warmth to our patients' hospital experience. This program is designed for adults who wish to make a commitment to improving the experience of our patients and their families. Community volunteers are often drawn to placements in pediatrics, patient visiting and hospitality services. College Student volunteers often focus their energies on complementing the skills of the talented UI Hospitals and Clinics staff. This program is dedicated to giving students currently enrolled in a college or university a variety of service opportunities providing hands-on experience in patient care. Popular placements include the Intensive Care Units, the Burn Treatment Center and Physical Therapy. The Junior Volunteer program is an eight week summer program that provides an opportunity for young people between the ages of 14 and 18 to volunteer in a health care setting. An emphasis is placed on exposure to different health care fields through weekly career seminars. Skills: The first step is to attend our orientation to hospital volunteering. Placements are made after the orientation/interview process and vary depending on your interests, availability, skills and experience. Call 319/356-2515 today to register!

5th Judicial District - Warren, Marion, Madison, Clark Counties

Volunteer Advocate

Every year more than half a million abused and neglected children are in need of safe, permanent, nurturing homes. Too many spend years moving from one temporary home to another. They have no family to call their own. They are more likely than other children to face homelessness, unemployment, even prison as adults. That's where CASA steps in. CASA was created to make sure the abuse and neglect these children originally suffered at home doesn't continue as abuse and neglect at the hands of the system. As trained advocates, CASA volunteers are appointed by judges to be a voice for these children in court. The result is that a child is placed into a safe, loving home where he/she can thrive. Skills: CASA volunteers are ordinary people who are committed to doing what is best for a child. All our volunteers are trained in courtroom procedure, social services, the juvenile justice system, and the special needs of abused and neglected children. We welcome volunteers from all cultures, professions, and ethnic and educational backgrounds.

Volunteer Mentor

Give advice to youth from the comfort of your own home! Our volunteer mentors provide support to the young men of Job Corps. When assigned a student, volunteer mentors call and introduce themselves and welcome students home from the program. Volunteer mentors show interest in a student's progress, motivating and encouraging personal development and making suggestions where appropriate (i.e. giving advice on how to conduct a job search). In general, volunteer mentors show they care and act as a resource. Volunteer mentors should contact students monthly, and communicate with the home office on results. Number of students assigned is determined by the volunteer mentor Skills: Good listening skills, desire to help others, concern for youth.
