**Guide to Sexual Assault Referral Services for University Students and Employees**
It is an unfortunate fact that many individuals in our society are victims of personal violence. There is assistance available for a victim of such personal violence. A person who has been sexually abused will need support and information that will help clarify the issues and facilitate recovery. Crisis Center Inc. provides sexual assault counseling by calling 1-800-727-2785.

**Victims of sexual abuse may wish to consider the following actions:**
If you are raped or sexually assaulted:
1. Get to a safe place as soon as you can.
2. Try to preserve all of the physical evidence. Do not wash, use the toilet, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.

3. Get medical attention as soon as possible to assess and treat any injuries you may have sustained and to collect important evidence to assist police in legal action.

4. Contact the Rapides Parish Sheriff’s Office at 473-6700 or (911).

5. Contact the Center Director of the Alexandria Center who will maintain confidentiality, help explain your options, give you information and provide emotional support.

6. Contact someone you trust a close friend or relative to be with you and support you.

Male Victims. While most victims of sexual assault are women, men can also be victims. Male victims at the Alexandria Center should take the same steps as outlined in this document.

Medical Treatment. It is important to seek immediate and follow-up medical attention for several reasons: (1) to assess and treat any physical injuries you may have sustained; (2) to determine the risk of sexually transmitted diseases or pregnancy and take preventative measures; and (3) to gather evidence that could aid in criminal prosecution. Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished. An Alexandria Center student can receive the examination at the emergency room of either Rapides Regional Medical Center or Cabrini Hospital emergency rooms.

Transportation. The administrative staff at the Alexandria Center will help arrange transportation to the clinic or hospital during normal working hours. The Rapides Parish Sheriff’s Office will transport anyone assaulted to the hospital at any time of day.

Counseling and Emotional Support.
Crisis Center Inc. has services available to provide counseling and emotional support. The staff at this agency is able to intervene in a crisis situation and to provide you with information about your options.

Reporting to the Alexandria Center Staff. The Alexandria Center staff members are also available to help provide you with information about your options, including medical assistance, counseling, University disciplinary action, and legal prosecution information. Talking about your concerns with the Center Coordinator may help you sort through your feelings and decide what to do. You can also report a recently occurring incident at a later date, if you do not choose to report it immediately. However, the sooner you report the incident, the sooner action steps can be outlined for your welfare.

The reasons for reporting to the Alexandria Center staff are (1) to protect yourself and others from future victimization; (2) to apprehend the assailant; and (3) to, in some way, seek justice for the wrong that has been done to you. If you choose to report the incident to the Rapides Parish Sheriff’s office, an officer will take a statement from you regarding
what happened. He/she will ask you to describe the assailant(s) (if you do not know them), or identify them if you do. He/she may ask questions about the scene of the crime, any witnesses and what happened before and after the incident. You may have a support person with you during the interview.

**University Disciplinary Action:**
If you have been sexually assaulted by another student or group of students and are considering University action, you are encouraged to discuss the matter with the Center Director the Dean of the Extended University. Please note that the University is required by the Cleary Act (formerly the Campus Security Act) to report sexual assault statistics to the University community.

If you do not wish to have the assault reported statistically, you will need to discuss your options with the Center Director or Dean of the Extended University. This will allow you a chance to review the procedures should you decide to file a formal complaint to be handled by the University. This discussion does not obligate you to pursue official action.

Charges may either be filed directly by you or by the University on the basis of your written statement. Such a charge would be handled in accordance with the procedures relating to violations of the Code of Student Conduct in the Center Bulletin.

Those students who are involved in sexual abuse cases are entitled to certain rights under Upper Iowa University's Disciplinary Hearing Procedures as well as the following:
1. Both the accuser and the accused have the right to present relative information and witnesses in a hearing.
2. Both the accuser and the accused have the right to be notified of the sanctions imposed.
3. The accuser may request reasonable accommodations as to academic arrangements after an alleged sexual assault.
4. The accuser has the right to file a complaint at any time during their enrollment at the University.
5. Students who violate University policies while involved in a sexual assault will be adjudicated for the policy violation. Sanctions will be of an educational nature instead of punitive.

**Non-Student Employee.** If you have been sexually assaulted or harassed by a non-student employee of the University, this is a violation of the law and University policy. Complaints should be filed with the Center Director, or the Dean of the Extended University.

An employee (non-student) who has been sexually assaulted by another employee or student should report the matter to the Center Director or Dean of the Extended University. If you want to press criminal charges, call the Rapides Parish Sheriff’s Office
Anonymous Reporting:
If you are assaulted, and at this time do not want to pursue action within the University system, or the local police department, you may still want to consider making an anonymous report. With your permission, the Center Director or Dean of the Extended University can file a report of the incident without revealing your identity. The purpose of an anonymous report is to comply with your wish to keep the matter confidential, while taking steps to ensure future safety for yourself and others. With such information, the University can keep accurate records about the number of incidents involving students or employees, determine whether there is a pattern of assaults with regard to a particular location, method or assailant, and alert the LCRP student community to potential danger.

Crime Awareness and Campus Security Act of 1990:

5. **Burglary**—the unlawful entry into a building or other structure with the intent to commit a felony or theft—note that forced entry is not a required element of the
