

## THE PRESIDENTS CLUB

Members of The Presidents Club provide significant financial and human resources to the University. Their gifts and counsel immeasurably enrich capacities for student financial aid, curriculum enhancement, faculty development and capital improvements. Membership in The Presidents Club includes those who have made a gift of at least \$10,000 to the University. The gift may be given at one time, or paid in installments over a five-year period. The National Chair of The Presidents Club is Theodore Hazer '48.
