The Law and University Policies - Alcohol, Drugs, and Sex Offenses

To provide for the safety of members of the University community and its property, Upper Iowa University has set standards of conduct for members of the community and for those seeking admission to the University. These University standards are included in the Handbook for Faculty, Handbook for Administration and Staff, and Center Bulletin.

The standards of conduct do not replace or relieve persons from complying with the requirements of civil or criminal laws. Unlawful behavior may result in criminal prosecution as well as disciplinary action.

The policies relating to alcoholic beverages, drugs, and sexual assaults are found in the Center Bulletin, Handbook for Administration and Staff and Extended University Faculty Handbook. As part of the education process, members of the University community are informed about University expectations and consequences when an individual violates alcohol, drug, and sexual assault policies and related laws.

Alcohol & Drugs: In consideration of federal, state and local laws, the possession, use or sale of illicit drugs is prohibited at the Ankeny Center. The possession, use or sale of alcoholic beverages is prohibited at the Center unless otherwise stated in writing by the University. The possession or consumption of alcoholic beverages is not permitted at any center social activity, athletic event, intramural activity, student campus organizational activity, student activity for prospective students, and recreational areas of the Center. The University neither condones nor sanctions the use of alcohol. All individuals are expected to observe the alcoholic beverage and illicit drug laws of the State of Iowa. Members of the Ankeny Center who are of legal age (21) are expected to make responsible decisions about the use of alcohol or drugs and to assume full responsibility for their personal conduct and actions. This includes respecting the right of those individuals who choose not to use alcohol or drugs.

The University reserves the right to expel a student or terminate an employee who is involved in the use, possession, sale or distribution of illegal drugs on University property or at University functions.

Sex Offenses: Sexual harassment or assault is not tolerated at the Ankeny Center. Specific programs and procedures are in place to deal with those concerns. Sexual abuse is prohibited and is defined as:

- Unwanted or unwilling sexual contact-any sexual touching or attempting to disrobe a person without his/her willing consent.
- Unwanted or unwilling sexual intercourse-any unlawful sexual intercourse that occurs without the consent of either party. Consent is defined as a positive verbal acknowledgment such as "yes". Any person under the influence of alcohol or other drugs is considered incapacitated and unable to give consent.

Examples: (not an exclusive list) Force or threats of force, including stranger and/or gang rape. Preventing a person from resisting by administering any intoxicant. Sexual intercourse with a person who is incapable of giving legal

consent or under the legal age. Sexual intercourse with a student who is unable to give consent because of a language barrier.

Numbers of the following offenses which are reported (to campus security authorities or local police agencies) to have occurred 'on campus' must be reported:

Murder
Sex Offenses
Robbery
Aggravated Assault
Burglary
Motor Vehicle Theft

Also required to be reported are the numbers of arrests for the following crimes that have occurred 'on campus':

Liquor Law Violations
Drug Abuse Violations
Weapons Possession

The campus/center includes any building or property owned or controlled by the institution of higher education within the same reasonably contiguous area and used by the institution in direct support of, or related to, its educational purposes; or any building or property owned or controlled by student organizations recognized by the institution.
