Depending on elective chosen:
- Understand the supervisory process, its fundamental concepts, principles, and dynamics.
- Understand the role of the leader in relation to various leadership theories and definitions.
Marketing
Undergraduate Certificate

Overview
UIU’s Marketing certificate is designed to provide students with the credential and skills needed to enter or advance careers in advertising, marketing and customer relations. The goal is to provide a strong foundation of the core concepts of marketing that can be immediately applied in a range of businesses. With a certificate in Marketing, students are prepared to step into positions such as account executive, account manager, marketing manager, marketing assistant, marketing coordinator, PR professional and more.

Objectives

- Understand basic management principles including the product mix/marketing variables for the consumer, business-to-business, service, and retail markets; the key steps involved in a new product introduction; the emerging perspectives and new paradigms related to the four P’s of Marketing (Product, Price, Place and Promotion); and Integrated Marketing Communications tools.

Depending on electives chosen:

- Be able to apply marketing theory and principles to the service industry.
- Understand basic personal selling techniques as well as the recruitment, training, motivation and management of a sales force.
- Understand the operation of retail marketing institutions as well as how consumer orientation affects facility location decisions, buying, pricing, staffing, promotion, and management.
- Understand the consumer decision-making process and behavior.
- Understand advertising and its role in marketing; understand the formulation of objectives for advertising programs.
- Understand the strategy, concepts, and techniques involving the marketing function in organizations.
Organizational Communications
Undergraduate Certificate

Overview
The Organizational Communication certificate provides an integrative approach to the study of oral and written communication, especially as it applies to the workplace. It is designed for individuals interested in mastering the professional communication skills necessary for success in today’s busy work environment. The certificate provides a strong foundation from which to launch any number of careers. Organizational Communication provides excellent preparation for jobs in government, higher education, human resources, consulting, social services, business, and law.

Objectives
• Ability to identify and analyze communications goals, messages, and behaviors of individuals and groups.
• Understanding of how groups develop and group dynamics as well as key issues related to group structure, conflict, and change.
• Understand how leader effectiveness impacts a group.
• Develop communication skills needed in conflict resolution; develop techniques needed to be an effective mediator and negotiator.
• Ability to identify social factors that trigger conflicts and/or cause them to escalate.
• Understanding of basic communication theories, the communication process, and organizational models.
• Ability to critically assess the effectiveness of communication styles, methodologies, processes, and practices within an organization.
• Demonstrate business communication skills in independent and collaborative situations.
• Ability to recognize the nuances of written and oral communication practices in a global context.
Organizational Leadership
Undergraduate Certificate

Overview
Organizational leadership involves making productive changes within an organization and helping people improve the way they work. UIU’s Organizational Leadership certificate provides the opportunity to understand how organizations function (and how individuals function in their roles within organizations) in order to improve productivity. These skills prepare students for a career in a variety of fields, including human resource management, business, sales, and insurance, as well as labor relations manager, special events coordinator, business owner, medical officer manager or sales supervisor.

Objectives
- Develop an understanding of key components for leadership, motivation, and empowerment of others.
- Gain an understanding of, and ability to apply, strategies for effective management of change processes and initiatives.
- Develop an understanding of corporate social responsibility and its impact on organizational effectiveness.
- Understand the business environment including planning; organizing; leading and controlling.
- Understand the supervisory process, its fundamental concepts, principles, and dynamics.
- Understand the role of the leader in relation to various leadership theories and definitions.
- Be able to recognize the interdepartmental and interpersonal relationships within an organization and describe their effects on organizational and individual performance and evaluate various individuals’ roles in the success of failure of the organization.
- Be able to assess an organization’s culture, environment, and operational effectiveness.
  Depending on elective chosen:
- Be able to differentiate between various theories of ethics.
- Be able to identify and discuss ethical issues in business situations.
- Be able to describe the nature of entrepreneurship and the role of small business in the economy, and to identify the resources needed to establish and operate a small business enterprise.

- verification of Arizona approved Structured English Immersion (SEI) training
Student Services Available From UIU

Academic Advising
Once admitted to UIU, each student is assigned an academic advisor who will work with the student throughout his/her time at Upper Iowa University to help ensure that courses are taken in sequence, that basic skills are learned and exercised, and that the curriculum chosen is appropriate to the student’s background and aspirations.

Academic Support & Success
The goal of UIU’s Academic Support Center (ASC) and the Office of Academic Success is to assist all students successfully complete all requirements for earning a degree from Upper Iowa University. The ASC provides a variety of free programs and services including a Tutor Center, a Supplemental Instruction (SI) program and a Peer Assisted Learning (PAL) program. Non-residential UIU centers have tutors available to students part, if not full, time. “Making the Grade: Strategies for Success” are 30-minute weekly workshops that focus on areas of common concerns for students; for students who cannot attend the workshops on campus, all sessions are archived and available online.

Bookstore (“Peacock Connection”)
The Peacock Connection, UIU’s book/logo store, offers textbooks, UIU logo merchandise and office/school supplies. Items can be purchased by non-campus students via the UIU website.

Career Development
UIU’s Office of Career Development (OCD) and Career Resource Library are located on campus within the Office of Student Development. OCD resources and staff are available to all UIU students, as well as alumni, in various stages of career and academic life. Graduate school information, self-assessment, individualized career guidance, resume reviews and job opportunities are just a few of the areas UIU Career Development can assist with, both in person, by phone, and through the UIU website.

Counseling
UIU’s Counseling Center provides individual and group counseling sessions to enrolled students at no cost. The center also provides outreach programs on a variety of mental health issues. The University’s care and concern for its students is demonstrated through the Director of Counseling Services’ involvement on both the Student of Concern (mental health issues) and the Save Our Students (academic issues) Teams where she plays an integral role. Plans are to have an on-site counselor at UIU’s Mesa Center by July of 2014.

Disability Services
The purpose of UIU’s Disability Services (DS) is to provide support to students, faculty, and staff through informative online resources and disabilities service personnel in compliance with ADAAA guidelines. Disability Services is committed to ensuring equal access to educational and co-curricular activities to qualified students with disabilities as mandated by the ADAAA and Section 504 of the Rehabilitation Act of 1973. Disability Services positively impacts the learning experiences of students with disabilities by offering support and encouragement, and empowering students toward self-advocacy.
Upper Iowa University will make accommodations for learners who disclose a disability (learning, physical, or psychological) and provide appropriate documentation. It is the learner’s responsibility to disclose a disability in a timely manner as well as arrange and pay for all disability assessments. Because scheduling classes in accessible facilities can require reasonable advanced planning, UIU recommends that people with disabilities accepted for admission identify themselves to the Coordinator of Disability Services no later than three months prior to the start of their entry term.

In addition to facility accommodations, other examples of accommodations available are alternative text formats and test-taking accommodations. Links to a number of free web-based assistive technology tools are provided on the UIU Disability Service’s website at www.uiu.edu/disabilityservices.

Financial Aid

Staff at all UIU Educational Centers are able to assist students and answer questions regarding the financial aid process and collect forms to complete financial aid files. Center and Fayette campus staff work closely together to complete the student’s financial aid process and students may also contact staff at the campus at any time.

Information Technology & Help Center

The Upper Iowa University Information Technology (IT) Department provides support for all of Upper Iowa University’s technological functions. This includes UIU owned computers, the UIU portal (myUIU), student/faculty/staff email accounts, the student administrative system (Jenzabar), and other entities.

There are fourteen computer labs for student use on campus. In addition, larger UIU educational centers have Learning and Resource Centers where students can study quietly and/or use public computers; smaller education centers generally have at least one, usually more, computers available for student use.

UIU’s IT Help Center is the central point of contact for the UIU Community for technology related incidents, problems, and requests. Students may talk to someone in the Help Center via phone or live online chat weekdays. Or, students can submit service tickets via the Help Desk’s web page.

UIU’s Mesa Education Center has a computer lab with 24 computers and a printer available for students' use.

Orientation

So as to make the transition to UIU, and for many people to college itself, a success, all incoming UIU students are strongly encouraged to attend an Orientation Session prior to beginning their first term of classes at UIU. On campus and at large education centers, Orientation is conducted as a group workshop; in smaller centers the orientation topics are usually covered in a one-on-one session with a student’s academic advisor.

Some of the topics covered in Orientation are: overview of UIU services available, who to contact for what questions, attendance and other academic policies, the registration process (including how to add, withdraw, and drop), options for where to get textbooks, student responsibilities and conduct expectations, and financial aid. In addition there is hands-on computer time during which students can activate their UIU email account, learn their way around the school portal (i.e. grades, registration, announcements), and explore the school website.
New and Modified Policies

**Student Readmit Policy** (replaces Student Returner Cohort Policy)

Any student previously enrolled in a degree seeking program at Upper Iowa University who returns to Upper Iowa University to register for courses after not attending a minimum of two consecutive terms, other than Fayette summer, will be considered a readmit. All readmits will be required to complete an information update form.

**Transcript Disclosure Policy**

When it is discovered that a student who is currently enrolled in courses at Upper Iowa University has not disclosed all attendance at previous institutions to the University, the student will receive written notification from the Registrar's Office requesting the student to provide official transcript(s) to the University. The student will have one full term to produce the official transcript(s). If transcript(s) have not been received at the end of one full term, the student will not be allowed to register for the following term. Future registration with the University is dependent upon receipt of the official transcript(s).

**Student Cohort Policy**

Upon admission to Upper Iowa University, each new student will be assigned a cohort code. This cohort code will only be changed when a student advances from one division level to a higher division level (i.e. undergraduate division to graduate division).

**Financial Aid Disbursement Policy**

Financial aid will be posted to student accounts five days after the start of each term provided that the student has accurately completed and submitted the necessary paperwork 14 days prior to the start of the term and has accepted the award letter 7 days prior to the start of term.

**Paperwork to be completed by returning students**
- FAFSA
- Center Enrollment Form (where applicable)
- Verification materials (where applicable)

**Paperwork to be completed by new students**
- FAFSA
- Master Promissory Note (MPN)
- Center Enrollment Form (where applicable)
- Verification materials (where applicable)
- Online entrance counseling

During the term, award letters will be generated 7 days after the student has accurately completed and submitted the necessary paperwork. Financial aid will be posted to student accounts 5 days after the student has accepted the award letter.
Refund Policy for Arizona Residents

An applicant who provides written notice of cancellation within three days (excluding Saturday, Sunday, and federal and state holidays) of signing an enrollment agreement is entitled to a full refund of all monies paid. No later than 30 days of receiving the notice of cancellation, Upper Iowa University shall provide the 100% refund.

In addition, student may withdraw after instruction has started and receive a pro rata refund for the portion of the tuition and other refundable charges according to the following:

Upper Iowa University is required to use a statutory schedule to determine the amount of Title IV aid that you have earned when you cease attendance based on the period of enrollment. Up through the 60 percent point in each period of enrollment, a pro rata schedule, based on number of days in attendance divided by number of days in the payment period, will be used to determine the amount of Title IV aid you have earned at the time of withdrawal.
UIU Student Grievance Procedures

The student complaint procedures are established to address concerns that arise within the University community. There are various procedures available to students depending upon the complaint. A complaint is a concern regarding a policy or procedure that has been inappropriately or unjustly applied or a charge against an individual's behavior. Non-Discrimination Policy Violations, Grade Appeals, Affirmative Action violations, Academic Suspension Appeals, Student Conduct Violations and Sexual Abuse/Harassment are to be filed according to set University policy governing those areas as delineated in the Student Handbook and Catalogs. All other complaints may use the Informal and Formal Student Complaint procedures.

Informal Procedures

Most complaints can be worked through informally by addressing the concern with the person involved and his/her direct supervisor or department head. The steps would include:

- The student will discuss the concern with the supervisor of the division or department head in which the concern arose.
- The supervisor/department head will be allowed to discuss and investigate the concern with all those involved and develop options for resolution.
- The supervisor/department head will then discuss the options with the students. If the student is not satisfied with any of the options, they may file a formal complaint which will result in a hearing.
- For all those complaints that are resolved, the supervisor/department head will complete the online form to notify the Dean of Students of the informal student complaint and the final resolution. This is the link to the Informal Complaint Form: www.uiu.edu/studentlife/complaint/staff-complaint.html

Formal Complaint Procedures

The University provides procedures to ensure that all student grievance and complaints will be given a fair hearing. The following procedures have been established as the formal grievance or complaint procedures.

- To initiate the formal process the student will complete the Student Complaint Form on the UIU website. www.uiu.edu/studentlife/complaint/complaint.html
- When the form is submitted the student will receive the following message: “The Dean of Student Development has been forwarded your complaint. Our goal is to assist you as soon as possible. If you have not heard from someone within five working days, please contact the Dean of Student Development at deanofstudents@uiu.edu or 563 425 5214.”
- The Dean of Students will review the submissions and ensure the complaint is directed to the appropriate supervisor/department head for further investigation and the assignment of a hearing committee. The supervisor/department head will conduct an investigation which includes gathering written statements from all parties involved. The documentation will be held on file until the complaint is resolved through the formal procedures.
Hearing Committee Selection and Procedures

1. When a hearing is requested in writing to the University, the student bringing the complaint/grievance will have the right to select one person of a three-member hearing committee from among University employees or the University student body.

2. The administrative head of the University division containing the unit where the complaint is alleged to have occurred will be able to select one person from among University employees to be a member of the three-member committee.

3. The two persons who have been selected under (1) and (2) above will then select a third person, from among University employees or the University student body, who will serve as chairperson of the committee.

4. Should the two persons not be able to agree on a chairperson, the Dean of Students and the chairperson of the Faculty Judicial Board will be responsible for recommending another procedure to select a chairperson or may assume authority to designate a UIU employee to serve as the chairperson.

5. A verbatim record will be kept of the hearing and a copy of the record will be made available to both parties.

6. In case of disagreements concerning interpretations of procedures, the judgment of the chairperson of the hearing committee will prevail.

7. Each party to the dispute will be entitled to have one or two representatives, plus not more than five observers, present at the hearing, unless the aggrieved party requests a private hearing, in which case no observers may attend.

8. After a period of private deliberation, the hearing committee will make the decision by simple majority vote, with the chairperson as a voting member. The vote will be taken by secret ballot.

9. The chairperson of the hearing committee will submit in writing the committee recommendations to the supervisor/department head for final action.

10. The supervisor/department head will make necessary hearing arrangements.

The supervisor/department head will notify the Dean of Students as to the outcome of the formal process. The Dean of Students will utilize the informal and formal complaint process to document the numbers and kinds of complaints the University is receiving to determine if there are specific issues or concerns that need to be addressed. Any significant number of common complaints will be forwarded on to the appropriate administrator for resolution.

External Complaint Process

For cases that cannot be satisfactorily resolved internally using the above procedures, Upper Iowa University is required to provide both current and prospective students with contact information for filing complaints with its accrediting body and the appropriate state agency for handling complaints in a student's resident state. That listing of state agencies can be found at http://www.uiu.edu/studentlife/complaint/state-complaint-agencies.pdf.

Managing the Cost

Current tuition and fees at Upper Iowa University are published in UIU’s catalogs as well as on the UIU website, at http://www.uiu.edu/academics/catalog/index.html. Arizona residents pay the same tuition as residents of Illinois and Wisconsin.

Tuition charges are reviewed annually and are subject to change as approved by UIU’s Board of Trustees. UIU does not “grandfather” tuition of then current students. Textbook and supply charges are separate from tuition and vary by course. Lab fees may also be applicable for some courses and would be in addition to regular tuition and fees. UIU works with students to help them find as much financial assistance as possible.

Upper Iowa University has no formal payment plans for Academic Extension students. UIU will work with any alternative loan program a student chooses.

Tuition Discounts

UIU meets all federal requirements and participates in Title IV.

Upper Iowa University offers a 10 percent discount on tuition to Arizona residents enrolled in the following degree programs: Public Administration with Law Enforcement Emphasis, Criminal Justice, Nursing, and Education.

Upper Iowa University also offers a 10 percent discount on tuition to all military personnel (active, guard, reserve, and retired), as well as their family members who are Department of Defense identification card holders.

UIU is certified to offer the following veterans’ benefits: Post-9/11 GI Bill (Chapter 33), Yellow Ribbon Program, Montgomery GI Bill (Chapter 30), Montgomery GI Bill - Selected Reserve (Chapter 1606), Reserve Educational Assistance Program (REAP) (Chapter 1607), Veterans Educational Assistance Program (VEAP) (Chapter 32), Survivors’ and Dependents’ Educational Assistance Program (DEA) (Chapter 35).

UIU offers a 10 percent discount on tuition to all students employed by partners in the Corporate Advantage program. UIU’s currently has over 40 Corporate Advantage partners; a list of them can be found at: http://www.uiu.edu/admissions/transfer/articulation/corporateadvantage.html

UIU has reached articulation agreements with a host of two-year colleges throughout the United States. The terms of each agreement apply to transfer students regardless of which UIU mode of study they pursue — on campus, at a center, or through distance education. All full-time and part-time faculty and staff members at these Partnership Advantage institutions (including adjunct faculty) receive a 10 percent tuition discount for all courses taken at UIU for academic credit. UIU will also waive the Online Graduate Application fee for Partnership Advantage faculty and staff members who apply to the MBA, MHEA or MPA programs.
Scholarships
UIU students can compete for scholarships awarded by the University's "Honors and Awards Committee" each year. Private scholarships may be available through your membership in professional organizations, local or regional civic organizations, or for specific majors.

Financial Aid
UIU offers Financial Aid packages to individuals who meet federal guidelines. To determine eligibility for Financial Aid funding, a person must complete the Free Application for Federal Student Aid (FAFSA) which can be obtained through a UIU center or completed online at www.fafsa.ed.gov. Examples of Financial Aid include:

• Federal Pell Grant - Monies awarded to students who demonstrate significant financial need. The Pell Grant is gift aid that does not require repayment.

• Iowa Tuition Grant - For Iowa residents only, Iowa Tuition Grant monies are awarded to students who demonstrate financial need. Iowa Tuition Grant does not require repayment.

• Federal Subsidized and Unsubsidized Stafford Loans - The subsidized and unsubsidized Stafford loans are low-interest loans and require repayment beginning six months after falling below half-time status.

Note: These percentages are also used to determine eligibility for state aid you may have received.

Upper Iowa University is required to use a statutory schedule to determine the amount of Title IV aid that you have earned when you cease attendance based on the period of enrollment. Up through the 60 percent point in each period of enrollment, a pro rata schedule, based on number of days in attendance divided by number of days in the payment period, will be used to determine the amount of Title IV aid you have earned at the time of withdrawal.

GRADUATION REQUIREMENTS

You have seven years after initial enrollment to complete an associate or baccalaureate program under the requirements in effect at the time of enrollment; you have five years after initial enrollment in the first of either a foundational or graduate level course to complete a graduate program under the requirements in effect at the time of enrollment. If the program is not completed within the designated number of years, the requirements in effect at the time of the next enrollment will be used to determine graduation requirements for the program.
