Solution:

In order to log in to your UIU email account you will need to follow the steps provided here:

1) Start at the UIU home page (www.uiu.edu).
2) Select “Login” found in the top-center of the page.
3) Select "Login for student email accounts." This will direct you to the "Microsoft Office 365" sign in page.
4) Enter your User ID and password

NOTE: if you require a password reset, please contact us with permission to do so along with your birth date for verification.

Please let us know if you were able to log in successfully or if further assistance is needed.
