Email
Office 365 to mobile device

Problem:
How do I set up my smart phone to receive my UIU "@faculty" email?

Solution:
We must first point out that UIU IT does not support the forwarding of emails to any device or other mail client. Should you experience difficulties with this service, it is up to you to correct it; this service is purely at your own risk. The information that you will need to set up any e-mail client is:

**Incoming Mail**
**POP settings**
Server name: outlook.office365.com
Port: 995
Encryption method: SSL

**IMAP settings**
Server name: outlook.office365.com
Port: 993
Encryption method: SSL

**Outgoing Mail:**
**SMTP settings**
Server name: smtp.outlook.office365.com
Port: 587
Encryption method: TLS
