Connecting to the UIUInternet Wireless Network

1. Connect to a Network by clicking the network icon ( inflammable or wireless) in the notification area.

2. In the list of available wireless networks, click **UIUInternet**, and then click **Connect**.
3. Open your browser.
Enter your domain User ID and Password and click **Login**

4. After you have logged in, your browser will go to your default homepage. If not press **F5** on your keyboard to refresh the webpage.
