Viewing Course Rosters in myUIU

1. To view your course rosters in myUIU, first be sure you are logged on and have clicked onto the faculty tab.

2. Once you have entered the faculty tab, click on “view details” on the “Current course list” portlet.

   **Faculty**

   ![Current course list](image1)

   **Example:**

   ![Current course list](image2)

   ![Current course list](image3)

   ![Current course list](image4)

   ![Current course list](image5)

3. Select the correct year and term from the dropdown list and choose “search”. **Example:**
4. This will take you to a list of your current courses. Choose “class list” from the column titled “go directly to” and a list of your current students, their status in the class and a direct link to their UIU peacocks e-mail address will appear.
