

## Overview of the New Major in Art (Teacher Education) beginning fall 2010

The art education emphasis prepares students to enter public school teaching. After completing course work in art and education, students receive licensure to teach art in grades K-6 or 7-12, or both grade levels.

**Current art education students have options for their plans of study**

The new graphic design curriculum will go into effect for all new freshmen and transfer students entering the university for the first time fall 2010. Current students will have the option of completing their current plans of study or adding the new art program requirements. Academic advisors can help students make decisions on their plans of study.
