FIRST YEAR Information
A guide to Upper Iowa University for first-year students.
To begin (or continue) your collegiate career at Upper Iowa University (UIU), this publication has been designed to aid you in your transition to the Fayette Campus and introduce you to some of the opportunities available. How well you do at UIU has a lot to do with how you begin to learn and grow, not only as a student, but also as a contributing member of society.

**HOW DO I SUCCEED AT UIU?**

UIU is filled with opportunities for your success— not to mention people who care about your success. You must realize; however, it is a two-way street!

You will get from your UIU experience exactly what you put into it! So YOU have to take the initiative! It is up to you to seek out opportunities, get involved and talk with your instructors, advisor and others.

It is up to you to create a network of friends and associates – those who can help, advise and encourage you in a positive manner. It is up to you to learn when and where to get the most out of college.

Remember, you are the one investing in your future—both financially and academically! UIU has seen many students take the opportunities they have had and build a solid foundation not only for their chosen career; but also, their life.

ACADEMIC CALENDAR
At UIU-Fayette Campus, the academic year is divided into three major components: Fall Semester, Spring Semester and Summer Semester.

REGISTERING FOR CLASSES
During OAR (Orientation, Advising and Registration) Day, a faculty member will assist you in registering for Sessions 1 and 2 through myUIU. Please note that the faculty member you meet with at OAR Day may or may not be your assigned academic advisor. For continuing semesters, you will meet with your assigned academic advisor. The advisor will enable access so that you can register your courses through myUIU.

COURSE LOAD PER SESSION
The minimum course load for full-time enrollment is 12 credit hours per semester (usually six credit hours per session). The minimum is especially important for those students who intend to obtain financial aid or participate in intercollegiate athletics.

Most students should plan to carry a minimum of 30 semester credits during the entire academic year if they are planning to graduate in four years. A minimum of 120 credit hours is needed to graduate.

All entering first-year students are limited to two courses per session (for courses of three or four semester credit hours). One- and two-semester credit hour activity courses are not counted as part of this limitation.

If you are an entering freshman there is one exception to the above policy. In addition to the two courses per session, entering first-year students are required to register for the First Year Seminar course. First Year Seminar is a one semester credit-hour course and freshmen must register for both Sessions I and II.

CLASS SCHEDULING
There are seven time periods for course offerings during the day. Courses begin at:

- 8:00 a.m.
- 9:25 a.m.
- 10:50 a.m.
- 12:50 p.m.
- 1:05 p.m.
- 2:15 p.m.
- 3:40 p.m.

SELECTING COURSES
Your ability to choose between different courses depends on three factors:

First, there are limits on the number of sections of courses that can be offered and on the number of students in any course. Courses do “close” when the number of registered students reaches the maximum number allowed in a course. You cannot register for a closed course.

Second, entering freshmen are generally limited to taking courses numbered less than 200. When you plan your schedule before meeting with your advisor, it is wise to select a few alternate courses in case your first choice is unavailable.

Third, your major area will determine the amount of choices you will have on OAR Day. Certain majors require a specific core and/or sequence of courses. You will, therefore, have less freedom in choosing your courses.

WHAT CAN I DO IF A COURSE I WANT TO TAKE IS CLOSED?
Consult with your academic advisor concerning your options.

ARE THERE ANY GENERAL SUGGESTIONS ON WHICH COURSES I SHOULD TAKE?
For the first semester, first-year students typically register for courses that will fulfill General Education requirements. Transfer students register for courses that are suggested on their evaluation. Your academic advisor is the best source for suggestions based on your particular circumstances.
GENERAL EDUCATION REQUIREMENTS
These are courses (36 semester credit hours) all students must take to ensure that you are well prepared to meet today’s rapidly changing environment of technological developments and diverse people coming together to build a better future for all humanity. While these courses may be taken at any point during your academic career, a general suggestion is to complete as many of these as soon as possible given your particular circumstances. Transfer students might have met some or all of these requirements through the successful completion of courses at their previous institutions. Transfer students should consult with their academic advisor concerning which general education requirements they have remaining.

COURSE NUMBERING SYSTEM
The course numbers denote the class level for which courses are intended. Courses numbered below 100 are designed to assist students in learning basic foundations. Those numbered 100-199 are designed for freshmen, 200-299 for sophomores, 300-399 for juniors, and 400-499 for seniors. Courses numbered below 100 do not count toward the 120 credits required for graduation.

COURSE DESCRIPTIONS
Refer to the UIU Catalog for descriptions of courses.

READING THE COURSE SCHEDULE
The course schedule is available on paper, on myUIU or on the UIU website at: uiu.edu/academics/final-exam-schedule.html. Courses are listed alphabetically by department. On every page, there are several columns:

Course/Title: The first item is the abbreviation of the department followed by a 3-5 digit course number (you can ignore the next four digits, your advisor will know what they mean). To the right of this line is the title of the course.

Cap: This is the maximum number of students allowed to register for the course.

Credits: This number is the semester credit hours for this course.

Days: The days of the week the course meets. For a 3-credit course, there are usually two options: every day (MTWRF) and four days a week (MT RF).

Beg. Time: The time when the course period starts.

End Time: The time when the course period ends.

Location: 05 designates a course offered face-to-face at Fayette Campus.

Bldg./Room: Where the course meets (building and room number).

Instructor(s): The name of the instructor.

Comments: Special instructions for some courses.

WORKSHOP 0XX COURSES
These support courses provide additional instruction in some Mathematics and English courses. Courses include: Methods, Elementary Statistics, Precalculus, English Composition I and English Composition II. Workshop credit counts toward full-time status for the semester, but does not count toward the 120 credits required for graduation.

HOW CAN I CHANGE MY COURSE REGISTRATION?
You can alter your schedule with your advisor’s permission. You have until the third course day of each session to add a course and until the end of the fifth week of the session to drop a course.

WHAT IF I HAVE A LEARNING DISABILITY?
The University will make appropriate and reasonable accommodations for those students who report a disability and provide appropriate documentation (see page 23).

ANY FINAL SUGGESTIONS TO AID ME IN REGISTERING?
CAREFULLY read and study all materials sent to you by UIU. Come prepared to participate fully with your academic advisor in the registration process. Do not hesitate to ask questions.

STUDENT FINANCIAL SERVICES

Financial Aid and Student Accounts encompass Student Financial Services. Together, our staff helps parents and students understand the costs associated with an Upper Iowa University education, and to find means to meet those costs.

Through federal, state and institutional financial aid programs, as well a variety of educational loan options and a payment plan program, we help families manage the cost of a quality education. Whether you make lump sum payments now or spread payments out over several months, we strive to provide the services needed to make Upper Iowa University a financial reality for our students.

For more information, visit: uiu.edu/financial-aid/index.html

FINANCIAL AID

The first step to applying for federal student aid is completing the Free Application for Federal Student Aid (FAFSA). The 2019-20 FAFSA was made available for submission as early as October 1, 2018. Students are required to report income information from the 2017 tax year. The FAFSA is a FREE application and can be completed and submitted at fafsa.ed.gov.

If you need any assistance in completing the FAFSA, please contact our office to discuss questions or schedule an appointment. The FAFSA should be completed for each year that you would like to receive financial aid.

After filing your FAFSA, you will receive a Student Aid Report (SAR), listing the information from your FAFSA. Your SAR also lists your Expected Family Contribution (EFC), which is used to determine your eligibility for need-based aid. Please review your SAR for accuracy and make any necessary corrections online. If your family’s financial situation changes after you submit your FAFSA, you may request a review of your eligibility by contacting the Financial Aid Office.

Check your myUIU and UIU Peacocks Email. Any correspondence related to your financial aid award notification will be conducted via your UIU email account and myUIU.

NETPARTNER

The Financial Aid Office utilizes the NetPartner system to communicate with students regarding their financial aid files and to provide students with updates. NetPartner is separate from the myUIU system and is specifically used for Financial Aid purposes. NetPartner can be accessed using your student ID by navigating to uiu.edu/financialaid, and selecting NetPartner in the list of links on the left side of the page.

Financial Aid award notifications, general information and requested documents needed by the Financial Aid Office are posted on NetPartner. E-mail notifications are sent to a student’s UIU e-mail address when information is needed. Students are ultimately responsible for managing their NetPartner document requirements and completing their financial aid files to receive aid.

Students requiring assistance with gaining access to NetPartner or completing document requirements through NetPartner, should contact our offices for personalized service.

INTERNATIONAL TUITION PAYMENTS

UIU has partnered with FlyWire to offer an innovative and streamlined way to make international tuition payments. FlyWire’s mission is to save international students and their families money that would otherwise be lost on bank fees and unfavorable foreign exchange rates. With FlyWire, you are offered excellent foreign exchange rates, allowing you in most cases to pay in your home currency and save a significant amount of money as compared to traditional banks. In addition, the payment will be posted into your UIU account faster.

The information below includes a summary and instructions.

Click or go to: [uiu.flywire.com](http://uiu.flywire.com) to begin the payment process.

- To get started, select the country from which funds will be coming and the payment amount in U.S. dollars you wish to make to your student bill.
- In most cases, the U.S. dollar amount will be converted into your home currency at preferential exchange rates, which will translate into savings for you.
- After providing some additional basic information, you will book the transaction and will be instructed via email on how to pay FlyWire from your home country bank account.
- FlyWire will then forward the U.S. dollar amount to UIU, where it will be directly credited to your student account.
- You will receive an email to confirm receipt of payment.
- At any time, visit flywire.com/contact where you will have a dedicated customer service team reachable via chat, Skype, email and phone to answer any of your questions.

HEALTH INSURANCE

All international (undergraduate, graduate, non-degree and intensive English program) students are required to carry and will be enrolled in the Upper Iowa University student health insurance plan.

PAYING STUDENT ACCOUNT THROUGH MYUIU

1. After logging in, click on the Academics tab at the top of the page.
2. Select Student Accounts on the left-hand side.
3. Click on Make a Payment located on the right-hand side of the page.
4. You can view your Current Balance.
5. Click on Click here to make a payment.
6. Click on Balance - You may also prepay on your student account if you would like to pay for an upcoming charge that is not currently displayed on your student account by selecting the Payment on Account - PrePay option.
7. Enter the amount you would like to pay in the Amount: field.
8. Select Add to Shopping Cart.
9. Select Checkout option.
10. Select the payment option of your choice.
    a. Domestic credit cards have an additional 2.75% fee added to the total amount.
    b. International credit cards are assessed an additional 4.50% fee to the total amount.
    c. Electronic checks have NO additional fee added to the total amount.
11. Select Continue Checkout
12. Enter your payment information and press Continue Checkout.
13. Follow any remaining prompts to complete the transaction.

Textbooks are sold through the Upper Iowa University Virtual Bookstore, under the management of MBS Direct.

**HOW DO I FIND THE TEXTBOOKS I NEED?**

There are two ways to locate your required textbooks.

1. After you have registered for classes and your registration has been approved, log onto myUIU.
   - Click the Student Tab
   - Click Course Information on the left side of the screen
   - Locate the Virtual Bookstore Box
   - Click the Bookstore button to be taken to your shopping cart at the bookstore.

   All of your required books will be listed, giving you the option to purchase new or used, or rent new or used publications when available. In some instances, digital books will also be available. Please see the Virtual Bookstore brochure within your OAR Day materials for more information on digital textbooks.

2. Visit the bookstore website at: [bookstore.mbsdirect.net/vbm/iiu.htm](http://bookstore.mbsdirect.net/vbm/iiu.htm)
   - Click “Let’s Get Started”
   - Have your schedule readily available and choose your session, location/program, course and section.
   - Repeat this step for each remaining class.
   - From here you will be able to view your required materials.

**HOW CAN I PAY FOR MY TEXTBOOKS?**

Textbook payment options include cash, check, credit/debit card, PayPal, money order, or by student account. If a student’s total financial aid award amount for the semester exceeds all institutional charges on the student’s account (including, but not limited to tuition, fees, campus housing and meals) the student would receive a book voucher. Students who do not have an excess of funds after all institutional charges are covered will not be eligible for a book charge and will have to pay using one of the other methods. It is advised to purchase both Session 1 and Session 2 books at the beginning of the semester to ensure the overage covers those expenses.

**WHEN CAN I PURCHASE/RENT TEXTBOOKS AND HOW QUICKLY WILL THEY ARRIVE?**

Textbooks can be ordered at any point following registration. All orders over $49 include free standard shipping and will arrive in about 3-4 business days. Expedited shipping will be fulfilled within one business day and includes a guaranteed delivery date.

**WHEN DO I NEED TO HAVE MY BOOKS?**

Instructors request that students have the books before classes start.

**CAN I SELL MY BOOKS BACK WHEN DONE WITH THE CLASS?**

MBS Direct will provide on-Campus buyback opportunities at the completion of each session. On-Campus buyback dates will be announced periodically throughout the year. Students simply need to bring the purchased textbook into the Student Center. The bookstore will offer a buyback amount and if the student agrees to that amount, they will be paid in cash for the book. The buyback service is also available online throughout the year.

HOW DO I GET READY FOR COLLEGE?

STEP 1
Attend an OAR Day. The best you can do is to keep attentive and focused on your OAR Day. Your life will be easier on August 22 because much of the “busy-work” can be completed then.

STEP 2
Prepare your mind for college. You are not in high school any more. You are on your own for the most part and you should be prepared for a lot of change. Not only will you “finally” have some freedom, you will also gain MUCH responsibility. No one will be waking you up for school anymore and you will be doing your own laundry! Here are some of the “little” things that will help you be ready for your your next step in life.

Realize now, that to be successful at college (and in life) you need to be focused on priorities. Of course, you should enjoy your college experience – but don’t forget, this experience is costing you or your parents a “chunk of change” – don’t waste your investment! Set your goals and find that balance. Enjoy your experience but don’t lose your focus!

Get used to getting up early. Classes begin as early as 8 a.m. and athletic practices begin as early as 5:30 a.m. Don’t spend your entire summer sleeping in. Adjust your body’s internal clock to get up at a proper time depending upon your schedule.

Determine how much sleep you need. It may be fun and exciting to stay up all night, but lack of sleep can affect your performance both academically, physically and emotionally.

Speak with your parents about finances. You may not have a clear understanding of how much money you will need at this point. Work together to prepare an initial budget and discuss plans for traveling home on breaks.

Learn a few things from home. You may or may not have had a lot of chores to do at home. Be ready to take care of yourself before you leave home. Know how to do laundry, cook your own meals, change a light bulb, clean a house, maintain your car, balance a checkbook, etc. If there are things you want to learn about, ask!

STEP 3
Get ready to move! If you plan on living in the University’s residence halls, you need to think about what to pack! Don’t think you have to bring EVERYTHING from home – it just won’t fit! Refer to the list on page 14 to determine what is most necessary. Be sure to include special items that will make you feel at home at UIU. You can always bring more “stuff” later!
WHEN DO I MOVE IN?

RESIDENCE HALL MOVE IN

The information below will help explain the schedule for residence hall move in.

Students who have attended a previous OAR Day in May, June or July may move in between 8 a.m.– noon on Thursday, August 22.

Students attending the OAR Day on Wednesday, August 21 should plan to move in between 1–5 p.m. on Tuesday, August 20.

Student athletes in a fall sport will move in prior to New Student Day weekend. Move in dates are determined by the head coach. Athletes should be in contact with the Athletic Department to obtain arrival time.

THINGS TO REMEMBER

Residential Meal Plan

The regular meal plan does not begin until Thursday, August 22. Meals are provided during New Student Days. Fall athletes reporting early will have meals covered by Athletics.

For more information: uiu.edu/support/student-life.html

If you are unable to move in during regular business hours (8 a.m.-5 p.m.), please make prior arrangements with the Office of Residence Life by emailing reslife@uiu.edu or calling (563) 425-5215.

You can contact Collegiate Marketing, Inc. by visiting the website at [bedloft.com](http://bedloft.com).

**COMING SOON: 2019-2020 ORDERING!**

*Place an order for the upcoming full academic year, starting on April 15, 2019*
FERPA PERMISSIONS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. For a parent, guardian or other person to view information about a student, the student must grant permissions to each person by completing a form located under “Student Forms” on the “Academics” tab on myUIU. The student must select “Set FERPA Permissions” to complete the form. Permission categories include information relating to course schedule, financial information, academic information/grades, account holds and residence life information. The student may select different permissions for each of these categories. Please note that permissions do not take effect right away. The University must process the request and the person receiving permissions will receive an email when his or her account is ready.

MENTORING AT UIU

All new students have the opportunity to participate in one of UIU’s four mentoring programs to help with the transition to college life. The Athlete Peer Education (APE) program pairs upperclassmen athletes with new collegiate athletes from a sport different than their own. The Peer Mentoring Program allows new students who are not athletes to be matched up with an upperclassmen mentor. Student veterans will have the opportunity to participate in PAVE (Peer Advisors for Veteran Education). A select group of students will also have the opportunity to participate in a mentoring program which pairs up UIU faculty and staff members with new students. All of these opportunities are in addition to the academic advisor each student is paired with at UIU.

PARKING ON CAMPUS

Students who park a motor vehicle on campus must purchase a parking permit. The fee for a parking permit is $75. You may purchase a parking permit in person at Facilities Management and Services 8 a.m.-5 p.m. Monday through Friday or online. Facilities Management & Services accepts cash, check or credit/debit card for payment. If paying online, only a credit/debit card can be used. The parking registration form as well as an option to purchase a parking permit online can be found at: https://uiu.edu/resources/facilities/parking.

The permit must be in place when parked in a University parking lot or you may receive a parking violation.

If a student chooses NOT to purchase a parking permit, that student can only park along the surrounding city streets*.

Where to Park: Parking lots are labeled for permit parking and visitor parking. Students living in a residence hall should park in lots labeled “R.” Commuting students are to park in lots labeled with a “C.”

Where NOT to park: Students, faculty, and staff of the Fayette Campus are NOT permitted to park in Visitor Parking lots. Be sure to look for signage as well as reading the Parking Rules and Regulations (found at myUIU).

*The City of Fayette does not allow vehicles to be parked on city streets overnight.

Any student, faculty or staff member parked in a visitor lot will be ticketed ($10-$50). Another area that is restricted from parking is a loading area located just north of Garbee Hall or near garbage receptacles. Anyone parking in these areas may be ticketed ($50) or towed without notice.

STUDENT EMPLOYMENT

There are two types of student workers at UIU – Federal Work Study (FWS) and UIU Student Worker. For students eligible for the Federal Work Study program, please visit the Financial Aid Office in the Student Enrollment Center (Garbee Hall), 2nd Floor. Please visit the Peacock Career Portal link to create an account and view the open student positions: collegecentral.com/IIU

Once a student has obtained a position, a student worker contract will be issued. If this is the first position the student has held at UIU, the student must complete new hire paperwork. New hire paperwork consists of Form I-9, Confidentiality Statement and Federal/State W-4 forms.

Students are unable to begin working until the contract and required paperwork has been completed and submitted to the Payroll Coordinator.

When completing Form I-9 the student must present a combination of original documentation that establishes their identity and employment authorization. Below is a list of the most popular
documents students may present:
(1) document from List A OR a combination of
(1) document from List B AND
(1) document from List C

**List A Document Title**
- U.S. Passport
- U.S. Passport Card
- Alien Registration Receipt Card
- Foreign Passport

**List B Document Title**
- Driver’s License
- ID Card Issued by State
- Government ID
- School ID

**List C Document Title**
- Social Security Card
- Birth Certificate
- U.S. Citizen ID Card

**International Students:** In addition to the above-described hiring process, International students may be required to comply with applicable U.S. federal government regulations. International students should contact the Center for International Education if they need to obtain a Social Security card.

**CABLE AND INTERNET**
Cable and internet hookups are available in every residence hall room.

**Students are to bring their own TV and computer.**

UIU is pleased to provide free cable and internet service to our students. Students are provided with an Educational Internet Package for internet access to their residence hall room at no cost. For enhanced usage, Entertainment and Gaming packages are available for an additional cost (see page 28).

**TRANSPORTATION TO UIU**
First time students making flight or bus arrangements into NE Iowa are asked to plan their arrival into the Cedar Rapids or Waterloo airports or bus terminals.

**Students needing transportation must contact the Events Manager no later than one week in advance of the expected arrival date.**

Throughout the year, transportation to airport/bus terminals is available to all students for a modest fee. For more information on this service, contact the Events Manager at (563) 425-5848 or email events@uiu.edu. (See also, page 34).

**UPS SHIPPING**
Trunks and heavy luggage can be shipped ahead of the student’s arrival time to:

(Student Name)
Upper Iowa University
605 Washington Street

PROCEDURES FOR CLINIC VISITS
1. Students are asked to contact the clinic directly by calling 1-800-822-1141 or 563-425-3381. Every effort will be made to see the student on the same day of the call. Present your insurance card at the clinic.

2. After-hour emergencies should be directed to the emergency room of Gundersen Palmer Lutheran Hospital, West Union, Iowa.

3. Cost for services is borne by the student or his/her family insurance carrier.

STUDENT HEALTH INSURANCE
Upper Iowa University is vitally interested in making students' academic and personal experience meaningful and successful. Health and wellness are key components of that experience. To ensure that students receive the care they need to stay in class and avoid the potential hardship of medical expenses, it is recommended that all full-time and/or resident students have adequate health and accident coverage. Non-international students have the option of maintaining primary coverage under a family employee plan or private insurer.

All international (undergraduate, graduate, non-degree and intensive English program) students are required to carry and will be enrolled in the Upper Iowa University student health insurance plan.

More information can be provided by contacting Student Life at studentlife@uiu.edu.

*Insurance information is pending as final policies are not set.

WELLNESS OFFICE
The mission of the Wellness Office is to promote wellness and health among students, faculty and staff. The Wellness Office utilizes the Wellness Wheel to educate the members of the UIU community about all areas of wellness. This education is done through empowering students with the knowledge and information they need to continue to lead a healthy and active lifestyle for the rest of their lives. You can find the Graduate Assistant for Wellness on the 2nd floor of the Student Center, Room 211.

DINING SERVICES

ARAMARK
Campus Dining Services offer a wide variety of food choices including wellness and vegetarian items, holiday buffets, brick oven pizza and exhibition cooking through the Servery. The Café offers an assortment of grab-n-go items, Java City beverages, grilled foods and pizza.

YOUR MEAL CARD
Your student ID card is required for admittance to the Servery for all meals. There will be no admittance without a current student ID card. In the event of a missing ID card, please stop by Student Life. It is important to replace missing ID cards immediately for security reasons. A fee is imposed for the reissuance of lost, damaged or stolen ID cards.

RESIDENCE HALL MEAL PLANS
A resident dining meal plan is mandatory for all residential students during the academic school sessions, no exceptions or appeals. The resident dining program includes the following options:

Peacock Platinum
All Access to Servery, 10 guest meals and $300 Dining Dollars per semester

Peacock Blue
All Access to Servery, 10 guest meals and $150 Dining Dollars per semester

Peacock Basic
Lee Tower and Hofmaster residents only
130 Servery meals, 10 guest meals and $300 Dining Dollars per semester.

Dining Dollars can be used in the Café, located in the Student Center and at concession stands on the Fayette campus.

COMMUTER STUDENTS
Dining Dollars and Block Plans
In addition to residential meal plans, commuter students may purchase 40 or 80 meal blocks. These pre-paid plans allow you to purchase meals in the Servery during the academic year. Each meal plan also comes with $50 in Dining Dollars. To enroll, visit Student Life on the second floor of the Student Center. Additional Dining Dollars can be purchased at uiu.campusdish.com.

DISABILITY SERVICES

Upper Iowa University Disability Services (UIUDS) is committed to ensuring equal access to, and full participation in, educational and co-curricular activities to students with disabilities.

The University will make accommodations for only those students who report a disability and provide appropriate documentation. For appropriate accommodations to be made, documentation must be on file with the Director of Disability Services (DDS). Documentation is required to establish both the presence of a disability and the need for accommodations. IEP’s or Section 504 Plans may or may not be sufficient. If not sufficient, further documentation from external sources, such as an evaluation by a licensed psychologist or doctor may be required. Documentation must support the requested accommodations. It is the student’s responsibility to arrange and pay for all needed disability assessments.

THE PROCEDURE TO RECEIVE SERVICES THROUGH UIUDS IS AS FOLLOWS:

1. Student submits a Disability Service Application—Voluntary Disclosure Form, a Release and Exchange of Information Form to the DDS, and provides appropriate documentation of disability. See the Disability Services Handbook for explanations of documentation. The handbook can be found online at uiu.edu/resources/disabilityservices/index.html.

2. A meeting will be held with the student and DDS to discuss the disclosed disability and the provided documentation. For Fayette students, this meeting will take place at Campus in the Director’s office. For EU students, this meeting is conducted over the phone. An interview will be conducted during the meeting. The purpose of the interview is to provide the student with an opportunity to offer further historical information about their disability, the barriers the disability presents and the student’s requested accommodations. A reasonable accommodation plan for the upcoming session will be made during this meeting.

3. Accommodation letters will be sent electronically by the disability services office to the student, advisor and professors.

4. The student should bring all concerns regarding accommodations to the attention of the DDS.

5. If, at any time, a student cannot reach the DDS or is in disagreement with the DDS, he or she is encouraged to contact the Director of Academic Support.

6. A new Request for Accommodations Letter needs to be completed for each class, each session for requested accommodations to be implemented. The student is responsible for requesting accommodations for each semester from the DDS.

Services for students with disabilities are tailored to meet individual needs in order to comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act Amendments Act of 2008.

The Director of Disability Services is located in the Student Life Suite (2nd floor of the Student Center) and can be reached by calling (563) 425-5949 or emailing disabilityservices@uiu.edu.

EDUCATION ABROAD

All UIU students have the opportunity to study, intern, volunteer, work or teach abroad! According to PRWeb, students that have an experience abroad are approximately twice as likely to find a job within a year of graduation as compared to students who do not, according to PRWeb. Moreover, according to UCMerced, study abroad alumni have higher starting salaries and are more likely to get into their top choice for graduate school.

- Choose from over 50 countries
- Choose from over 130 different fields of study
- Pay UIU tuition, fees, room and board
- Use your financial aid and scholarships
- Go abroad for a week or more, a month, the summer, a semester or a whole year

To find the perfect program for you, contact or visit the Education Abroad Office which is located in the Student Life Suite on the Student Center second floor.

COMPUTER AND E-MAIL ACCOUNTS

Your computer and e-mail accounts have been set up personally for you with a username and password. You will need your username and password in order to access Upper Iowa University’s computer labs, uiuLearn and myUIU. You will receive your University email account information at your orientation day.

INTERNET ACCESS IN RESIDENCE HALL ROOMS

All registered residential students have access to the internet from their residence hall room. Internet access in the residence halls is free and provided by Apogee (myresnet.com). Residence hall internet problems or questions should be directed to Apogee at (855) 813-7009, or email support@myresnet.com. Higher speed and gaming packages are also available through Apogee for an additional cost.

Students are responsible for the installation, configuration, and updates of an anti-virus program with security patches on personal computers/systems.

COMPUTER LOCATIONS

There are computers at multiple locations on campus:

- Andres Center for Business and Education
- Baker-Hebron Science Hall
- Edgar Fine Arts
- Garbee Hall Complex
- Henderson – Wilder Library
- Liberal Arts
- South Villages 1, 2 and 3
- Student Center

To report problems with computers or internet access, call the ITS Help Center at (563) 425-5876 or send an email to helpdesk@uiu.edu.

LOGIN DIRECTIONS

The first time you login into a campus computer or myUIU, your password is your birthdate in the format of your four digit year, two digit month and two digit day. For example, if your birthday is May 2, 1997, your password would be 19970502. The first time you login into your peacocks email, your password is Pcocks@1857. You are advised to change your password immediately.

LEE TOWER SUITES

Lee Tower is comprised of 6 suites with 2 suites per floor and is capable of housing up to 47 students. Each suite contains 4 bedrooms (2 students per bedroom), 2 bathrooms, a kitchen, and living room area. Each suite is equipped with a TV and a full kitchen including stove, refrigerator, microwave, and dishwasher. Each floor shares a laundry facility.

Lee Tower Apartments are designed for upper-class students who are ready for a more independent lifestyle. Students are able to apply in the spring for the following year. Each bedroom contains 2 beds, 2 dressers, 2 movable desks with desklight and bookshelf, 2 desk chairs, and 2 built-in closets.

All Lee Tower bathrooms are provided with a shower curtain. Students are responsible for their supply of toilet paper.

All residence hall rooms (as well as the entire Campus) have been designated as non-smoking or no tobacco.
Your academic career can be summed up in two words, “Choose Wisely.” Over the next few years, many options will be available for you to choose from, both in and out of the classroom. The choices you make will go a long way in determining how successful you become. Above all, the important thing to remember is that you diversify and broaden your experiences so that you leave Upper Iowa University a far richer person than when you arrived.

RECREATION

Upper Iowa University prides itself on offering its students recreational opportunities both on and off campus. In the Student Center are pool tables, ping pong, shuffleboard, air hockey, video game stations and arcade gaming. The on-campus recreation center houses two three-lane tracks, three courts that can be used for basketball, volleyball, badminton and tennis. It also contains a fitness area featuring cardiovascular and weight equipment. The rec center hosts a variety of group fitness classes each term and offers personal training options to students looking for a different fitness solution.

Lighted outdoor tennis and basketball courts are also available on Campus. As a full-time student, you have free golfing privileges at the Big Rock Country Club and use of lighted tennis courts in the Fayette community. Through the Outdoor Pursuits program, several opportunities are offered that allow students to try their hand at canoeing, kayaking, bike riding, back packing, rock climbing and other events at the Volga River Recreational Area. Visit the Office of Student Leadership and Adventure for brochures and regional information.

STUDENT ACTIVITY TRIPS

Are you looking to get off campus for the day? Student Activities is constantly on the go, such as Mall of America, professional athletic events, spirit van shuttles and outdoor trips.

Students of the UIU community may also sign up in Student Life for weekend shuttle service to shopping malls. The mall trip schedule rotates between Waterloo and Dubuque. While there, you can enjoy four to six hours of shopping, movies and/or dining.

ENGAGE 1

Engage1 is Upper Iowa University’s initiative to encourage every student to be involved in at least one out-of-the-classroom activity. The 2009 National Survey of Student Engagement (NSSE) shows that student success is directly linked to student involvement. UIU wants our students to engage in their college experience and succeed.

If students have questions about this initiative or just want to learn more, they can visit the Office of Student Activities and Adventure, located on the Student Center second floor.

UIU FREE SHUTTLE SERVICE

University transportation is available to the airport and bus terminals in Cedar Rapids, Iowa City, Coralville, and Waterloo at the beginning/end of sessions, and surrounding breaks in the academic year.

The prearranged trips are offered to current UIU students at no charge. Shuttle service is only offered after the conclusion of classes for a session or a holiday break.

To view a list of available trips and to sign up, log on to myUIU — Academics — Student Forms.

Students are responsible to provide complete and accurate travel information, including flight/bus numbers, date and time of trip and cell phone number.

If the trip is canceled or changed, the student must notify the Events Manager at (563) 425-5848. If notification of changes have not been received and the student does not arrive at the scheduled time, the driver will proceed to the other scheduled stops.

In case of inclement weather, shuttles will be delayed until road conditions approve.

All shuttle and trip fees apply.

TRANSPORTATION AT UIU
Students at UIU may find themselves needing transportation for various reasons. This brochure outlines what resources are available and how to acquire services. Upper Iowa University students are responsible for their day-to-day transportation needs. Students are encouraged to plan appropriately for personal matters related, but not limited to:
• Airport Pick/Up and Return
• Medical Appointments
• Driver’s License
• Shopping
• Academic needs such as grad school testing practicums, internships, etc.

WHAT HAPPENS IF I HAVE A MEDICAL NEED?
If it is determined you need to be seen immediately and you cannot find a ride with a friend, contact Student Life at (563)-425-5215 during business hours (Mon-Fri 8 a.m. - 5 p.m.)
THE COLLEGIAN

The University newspaper, The Collegian, is UIU’s student-run newspaper and has seen many changes. Having moved to an online format allows the newspaper to incorporate and support the University’s move to a green campus. An online edition also gives the newspaper more space for information, images, and even videos! In addition, we are now producing a physical copy of the paper once per session. Be on the lookout for a copy in various buildings around Campus!

The biggest change the newspaper has seen is the move toward community: doing community service work in our desire to support our UIU and Fayette County communities, publicizing the scholarly research of UIU professors and students, and participating with local and global service learning groups who are working to build global citizenship.

If you are interested in joining our Collegian staff, please email Matt Foy at foym38@uiu.edu. You may also take the Journalism Workshop course for college credit.

Because students at UIU are busy people, you may commit to as many hours as you have available, or to any particular aspect of newspaper writing or yearbook production that you are interested in: take pictures at events, write a monthly column, interview UIU community members about their projects, or any other contribution you’d like to make. The Collegian staff welcomes ALL commitments!

Interested?

uiucollegianstaff@gmail.com

The Collegian produces the yearbook and is looking for students interested in collecting photos of special events, campus organizations, community gatherings, and anything else that might be “awesome” in the yearbook.

ID CARD
The student’s ID card is issued upon completion of the Enrollment/Validation Process. South Village residents gain entry to their building, as well as their suite and room with their ID card. Students are required to carry their ID card to utilize dining services. This card also allows free entry to all University sponsored functions, Recreation Center and athletic events.

“I lost my ID card! What do I do?”
A fee is imposed for the reissuance of lost, damaged or stolen cards. Visit Student Life, located on the Student Center second floor.

STUDENT SUCCESS TIPS

• Visit your classroom the day before classes begin.
• Get organized! Use your student planner to write down all exam dates, due dates, class meetings, practices and study sessions.
• Get involved! Choose one or two organizations to get involved with during the first semester.
• NEVER skip class!
• Spend time with positive, motivated people who share your desire to learn, grow and succeed, and be that type of person yourself.
• Be honest and compassionate.
• Listen carefully.
• Resolve conflicts assertively, responsibly, respectfully and quickly.
• Learn to balance freedom and responsibility. Uphold your obligation to be a good citizen in the UIU community by taking responsibility for your choices and learning as much as you can here.
• Find a routine that works for you – do not forget to include exercise, study time, social interaction, sleep and other activities that keep you balanced and healthy.
• Ask questions!
Yes, you’ve been to an OAR Day. Yes, you’ve read the FYI. But . . . do you have other questions?
